STORYTALE FESTIVAL COMPETITION 2020

We have a lot going on for middle grade readers from a romp-about stomp-about with author Sophie Kirtley in [Wild Things!](#), to [Background Noise](#) with poet Malaika Kegode, and [Start Your Own Adventure Story](#) with Katharine Orton, plus lots more to get your creative juices bubbling away!

Please keep your story to under 500 words and email it to: comp@storytalesfestival.com.

We're thrilled to have [Nicola Skinner](#), author of *Storm* and *Bloom*, judging the entries and choosing the winner. The prize is a beautiful hardback copy of *Storm*.
