## STORYTALE FESTIVAL COMPETITION 2020

With so many sessions for younger children, which one will inspire you the most? Magical storytelling and wand making in [Wanda's Words Got Stuck](#)? The Scottish folktale in [Tell Me a Tale](#)? Learning about under-the-sea creatures in [Uh-Oh! Said Flo](#)? An inspiring journey in [The Girl Who Walked to the Moon](#)? Or one of the many other events suitable for eight year olds and under?

Keep your story to just one page and email it to: [comp@storytalesfestival.com](mailto:comp@storytalesfestival.com).

If you prefer to draw a picture based on the session that inspired you the most, then please print off the form and get drawing! You'll need an adult to take a photo of the finished drawing and email it to us.

Bristol-based author/illustrator [Lucy Fregard](#) will be judging the submissions and choosing the winner. The prize is a copy of Lucy's picture book, *The Big Stink*, plus a Chameleon Template Pack from [Colourful Minds](#).
